The company demonstrates a strong overall performance

TMEIC's efforts and initiatives to develop products and solutions that not only match the current market needs, but also anticipate future customer requirements are highly commendable. The company's vast technology expertise combined with its unique flair for innovation makes it an ideal candidate for addressing the mega trends that are shaping the industries of tomorrow.

Frost & Sullivan commends TMEIC's best practice implementation excellence that has been reinforced by its strong cultural beliefs and value systems, and further fortified by seamless executive vision alignment.

- Gautham Gnanajothi,
Global Research Director

Best Practices Award Recognition

Best Practices Awards recognize companies demonstrating outstanding achievement and superior performance. The Company of the Year Award is its top honor and recognizes the market participant that exemplifies visionary innovation, market-leading performance, and unmatched customer care.

In the half-century since its founding, Frost & Sullivan has become a widely recognized leader in the growth consulting industry - A Global Growth Partnership Company.
