

Recognized by Frost & Sullivan with the

2022 MARKET LEADERSHIP AWARD

in the North American
managed SD-WAN industry

AT&T has a strong base of network assets to leverage across the SD-WAN portfolio.

The superior focus on cloud providers and pre-provisioned integrations positions AT&T quite well in this industry.

AT&T excels in the following criteria in the managed SD-WAN industry:

**Technology
Leverage**

**Product
Differentiation**

Brand Strength

**Customer Purchase
Experience**

Market Leadership Award

recognizes the company that achieved the greatest market share resulting from outstanding performance, products, and services.
