## The company demonstrates a strong overall performance

“The Global Product Leadership Award in the open automation platforms industry is awarded to Schneider Electric, Inc.

Schneider Electric has introduced EcoStruxure™ Automation Expert, an innovative and universal automation solution that is reshaping the future of industrial automation. This groundbreaking solution decouples hardware and software, offering users the flexibility to choose the most suitable open hardware for their specific needs. By integrating enterprise-wide data and enabling real-time decision-making, EcoStruxure Automation Expert streamlines workflows, boosts productivity, and ensures a seamless integration of information technology tools based on industry standards.

- Sebastián Trolli, Senior Industry Analyst, Industrial Technologies

**In the half-century since its founding, Frost & Sullivan has become a widely recognized leader in the growth consulting industry - A Global Growth Partnership Company.**

## Best Practices Award Recognition

Best Practices Awards recognize companies demonstrating outstanding achievement and superior performance. The Product Leadership Award recognizes the company that offers a product or solution with attributes that deliver the best quality, reliability, and performance in the industry.
