## The company demonstrates a strong overall performance

“Emerson's Ovation™ Green revolutionizes power and energy (P&E) production by offering a platform that manages multiple renewable energy assets, providing real-time access to valuable data insights. This addresses the challenges of data management and equipment optimization faced in the P&E industry.

Recognized by Frost & Sullivan with the 2023 Global Enabling Technology Leadership Award, Emerson's Ovation™ Green sets a new standard for automation, innovation, and sustainability in the P&E sector.

- Agustina Sarriera, Industry Expert

## Best Practices Award Recognition

Best Practices Awards recognize companies demonstrating outstanding achievement and superior performance. The Enabling Technology Leadership Award recognizes the company that applies its technology in new ways to improve existing products and services and elevate the customer experience.

**In the half-century since its founding, Frost & Sullivan has become a widely recognized leader in the growth consulting industry - A Global Growth Partnership Company.**
