The company demonstrates a strong overall performance

“The Global Company of the Year Award in the power electronics industry is awarded to TMEIC.

TMEIC excels in recognizing industry trends and adapting, enhancing, or innovating solutions to maintain a competitive advantage. Through initiatives like the Energy Resource Solution Project, Smart Energy Solution, and Smart Factory, the company showcases its readiness for major shifts like carbon neutrality and digital transformation.

TMEIC is a global power electronics industry leader, known for its extensive expertise, innovative solutions (including photovoltaic inverters, rectifiers, uninterruptible power supply, and AC/DC converters), reliable products, advanced technology, strong worldwide presence, and customer-centric approach.

- Gautham Gnanajothi, Global Vice President of Research

In the half-century since its founding, Frost & Sullivan has become a widely recognized leader in the growth consulting industry - A Global Growth Partnership Company.

Best Practices Award Recognition

Best Practices Awards recognize companies demonstrating outstanding achievement and superior performance. The Company of the Year Award is its top honor and recognizes the market participant that exemplifies visionary innovation, market-leading performance, and unmatched customer care.
