“The Global Company of the Year Award in the AI-based neurological solutions industry is awarded to TeraRecon.

TeraRecon offers workflow-driven and clinician-centric solutions through its TR Neuro and Neuro Suite that assist in the rapid management and care of neurovascular patients. These solutions ensure increased productivity, consistency, reproducibility, and easy result communication; and offer dedicated tools for neurological conditions. TeraRecon’s solutions aid the clinician in decision making to solve challenges across the care continuum to provide advanced patient care, improve patient outcomes, and reduce the financial burden of managing neurological conditions.
