

2023 FROST & SULLIVAN ENABLING TECHNOLOGY LEADERSHIP AWARD

Identified as best in class in the United States imaging industry

Seno Medical developed its own core patents on opto-acoustic technology and has pursued new inventions.

Seno Medical's attention to detail and transparency have encouraged employee participation in idea generation.

THE ENABLING TECHNOLOGY LEADERSHIP AWARD

recognizes the company that applies its technology in new ways to improve existing products and services and elevate the customer experience.

Seno Medical excels in the following criteria in the opto-acoustic ultrasound imaging industry:

BRANDEQUITY

APPLICATION DIVERSITY

COMMITMENT TO INNOVATION

PRICE/PERFORMANCE VALUE
