The company demonstrates a strong overall performance

The Brazilian Company of the Year Award in the managed and professional security services industry is awarded to ISH Tecnologia.

ISH Tecnologia is a titan in the Brazilian cybersecurity market. The company's long history in the industry, its growth, expansion, and development of new technology are a testament to its success as a managed security service provider.

Its comprehensive portfolio of managed and professional services underpins a strategy that allows ISH Tecnologia to extend its market share over a large portion of Brazil.

- Lucas Ferreyra Industry Expert

Best Practices Award Recognition

Best Practices Awards recognize companies demonstrating outstanding achievement and superior performance. The Company of the Year Award is its top honor and recognizes the market participant that exemplifies visionary innovation, market-leading performance, and unmatched customer care.

In the half-century since its founding, Frost & Sullivan has become a widely recognized leader in the growth consulting industry - A Global Growth Partnership Company.
