2024
# FROST & SULLIVAN ENABLING TECHNOLOGY LEADERSHIP AWARD
IN THE EUROPEAN OVER-THE-AIR UPDATES INDUSTRY

T-Systems offers complete OTA update solutions, including development, integration, data management, and consulting.

The company specializes in creating intelligent, agnostic solutions that seamlessly integrate with legacy platforms.

THE ENABLING TECHNOLOGY LEADERSHIP AWARD

recognizes the company that applies its technology in new ways to improve existing products and services and elevate the customer experience.

T-Systems excels in the following criteria in the over-the-air updates industry:

COMMERCIALIZATION SUCCESS

APPLICATION DIVERSITY

COMMITMENT TO CREATIVITY

CUSTOMER SERVICE EXPERIENCE
